

# Ramsden Heath Village Hall

## **New Air-Conditioning with Heat Recovery Ventilation project now complete.**

This will not only improve the environment within the hall for all hirers, reduce running costs, but now regularly replace the air with **FRESH AIR** from outside to the main hall, rather than recirculated, up to a Max. 2000m<sup>3</sup> of fresh air per hour! Helping meet new government guidelines following Covid-19. Air-Conditioning now in Small Hall too.

### **Reminder of the village halls impressive facilities:**

- Large and Small Hall with ample Chairs & Tables
- Large kitchen fitted out in stainless steel, so easy to clean
- Commercial Oven and Dishwasher (2 minute cycles)
- Disco lighting (Sound to light)
- LED 'Mood Lighting' in main hall
- New Air-Conditioning with 'Fresh Air' HRV
- Projector with large 4m screen
- Speakers and Microphone – ideal for Quiz Nights!

Preparations have been underway to allow for a safer return for our regular hirers and the general public, inline with the government lifting of restrictions. We look forward to seeing the hall busy again.
