NEWS UPDATE

Since the last issue, there is a new hall management committee in place. A lot of maintenance work has been done outside including cutting back hedges, grass and generally tidying up the side of the hall. There are projects coming up inside the hall too including a storage solution for the hall; refurbishment of the top hall toilets; a new front gate and other improvements on our wish list. Please support your local village hall and if there are any ways you can support us, please let us know.
